

Dear Dealership Management;

We are offering sub-prime financing to our customers that traditional lending institutions will not finance. Our aim is to review each contract individually and formulate a loan to that will make you and your customer happy. We are willing to work with customers with bad credit, cash incomes and other credit situations. We are confident that you will be satisfied with the services that we will provide to increase your auto sales.

Please find the information enclosed to help make our services easier and more proficient for you to utilize. If you have any questions please contact our office at (732)251-0077 or my cell (732)856-4232

Sincerely,

John LaCagnato
